

## 2021 School Nutrition Equipment Grant Application

### OVERVIEW

Maine Dairy and Nutrition Council is excited to offer Fuel Up to Play 60 School Nutrition Equipment Grants for the 2021-2022 School Year. The purpose of this grant is to provide schools with equipment and/or cafeteria enhancements that will increase dairy visibility and consumption, while enhancing the sustainability of and assisting with the long-term success of school breakfast and lunch programs. A special note: This year's grant opportunity has consolidated the Summer Cooler and School Nutrition Equipment Grants. There will be no separate 2021 Summer Cooler Grant.

### PROCESS

- Each application is for a single school. If multiple schools from a district would like to apply, a separate application is required for each.
- Application must be completed by the school nutrition director/person responsible for the oversight of the school nutrition department and submitted by April 30, 2021.
- The application will be reviewed and if considered for approval, the applicant will be contacted by the Maine Dairy and Nutrition Council with a Letter of Agreement.
- Upon receiving a signed Letter of Agreement, Maine Dairy and Nutrition Council will work with the grant recipient to order approved equipment as outlined in the Letter of Agreement.
- Equipment grant recipients will be required to provide accurate data for current school year to the best of their ability before funding is provided, as well as data for the first year of implementation.
- To apply, schools must be enrolled in Fuel Up to Play 60 & have a Fuel Up to Play 60 Program Advisor. During the 2021-22 school year, grant recipients will hold a celebration and submit a success story at [FuelUpToPlay60.com](http://FuelUpToPlay60.com). To see whether your school is enrolled and to sign up as a Program Advisor, visit [www.FuelUpToPlay60.com](http://www.FuelUpToPlay60.com)

### Application Deadline is April 30, 2021

We welcome innovative and sustainable ideas! If you have any questions or need assistance, please contact:
